Your Premier Construction Company!

TJ McDonald Construction, Inc. is a Brevard County based firm primarily serving Central Florida and surrounding areas since 1989. Our company has an excellent reputation built from years of experience. We pride ourselves on our dedication to working to high standards to produce the highest quality end results that stand the test of time. For all your construction needs, **TJ McDonald Construction, Inc.** is your Premier Construction

As a State Certified General Contractor, with over two decades of construction experience, we can help manage the construction of your project. We select the most qualified subcontractors to perform the work while coordinating the job to ensure quality results.

We also closely monitor your budget and schedule.

Whatever your needs are, TJ McDonald Construction will tailor its services to meet your individual needs. We are committed on building long-term relationships with our customers and want to make sure you are satisfied!
